To Whom It May Concern:

I am writing to voice my concerns about the plan that Louis DeJoy has put forth regarding new regulations for the U.S. Postal Service. I do not believe that Mr. DeJoy has the best interests of the Postal Service nor of the individuals using U.S.P.S. His plans are ill conceived unless, of course your goal is to weaken U.S.P.S. and reduce the quality of mail delivery in this country. Please disregard his so called reforms, and return him to life as a private citizen!

Thank you,

Sally Weil
